## The Ladies Gaelic Football Association

The Ladies Gaelic Football Association was founded in Hayes Hotel, Thurles, County Tipperary on 18th July 1974. Four counties, Offaly, Kerry, Tipperary and Galway attended the meeting. However, eight counties namely Cork, Kerry, Tipperary, Waterford, Galway, Roscommon, Laois and Offaly participated in the first official All-Ireland Senior Championship of that year, which was won by Tipperary.

Today, Ladies Gaelic Football is played in all counties in Ireland. It is also played in Africa, Asia, Australia, Britain, Canada, Europe, New Zealand, South America and the USA on an organised basis. It is imperative for our Association to maintain and foster our supportive contact with our International units.

Our Association in Ireland must influence and help Ladies Gaelic Football Clubs Internationally and share the spirit of home with those who are separated physically from their homes and to introduce those who have no connection with Ireland to the enjoyment of our sporting culture and heritage. The structure of the Ladies Gaelic Football Association is similar to that of the GAA with Clubs, County Boards, Provincial Councils, Central Council and Annual Congress.

The National President is elected for one term of four years and shall not serve two consecutive terms. The Association was recognised by the GAA in 1982. In the early years of its foundation, the Association used the rules in the Official Guide of the GAA in conjunction with its own rules.

The Ladies Gaelic Football Association decided at a Central Council meeting on 7th October 1985 to publish its own Official Guide. A Committee comprising of National President Pat Quill, Vice-President Peter Rice and Chairman of the Wexford County Board Kieran Dunne were selected to carry out this task. The Committee forwarded its findings to a Special Congress on the 8th March 1986. The first Official Guide was ratified on that date.

The Association organises National Competitions for counties in Under 14, Under 16, Under 18, Junior, Intermediate and Senior. National Championships are organised for Club Champions in Junior, Intermediate, Senior and 7-A-Side, Post Primary Schools, Third Level Colleges as well as an annual Interprovincial Competition.

The Association acknowledges and appreciates the GAA for the use of its pitches and facilities.

The Ladies Gaelic Football Association is an organisation which endeavours to reach into communities in Ireland and Internationally to promote Ladies Gaelic Football and to support the Irish Language and other aspects of Irish culture. Volunteers and employees throughout Ireland and Internationally promote the ideals of the Association.

## **Injury Fund**

64. Central Council shall administer a compulsory Injury Fund. It should be clearly noted that the Ladies Gaelic Football Association (hereinafter referred to as the Association) is acting in a merely gratuitous manner and this fund, is not, and shall not, be interpreted either as an insurance or indemnity, nor shall it in any way bind the Association to a legal obligation to members.

Risk is an inherent factor in sport. When players voluntarily take part in games, they automatically accept the risks involved.

65. The Injury Fund will not provide cover to a person who develops a condition later in life as a result of a previous injury received while playing Ladies Gaelic Football.
66. No person shall be entitled to participate in the games organised by the Association without first paying the Injury Fund fee for inclusion in the fund. The fee shall be paid electronically with the Registration Fee.

A team playing a player who has not paid the Injury Fund fee shall, subject to the rules then pertaining, be subject to sanction under the CODA Rules.

A player paying the €25 shall be entitled to be considered for a payment of wages or salary loss together with medical treatment only.

A player paying €5/€10 shall be entitled to be considered for payment of medical expenses only.

There is no legal obligation on the Association to provide such a Fund. All players must ensure they follow the terms and conditions of the Fund in order to benefit.

The Fund does not entitle any member a right to reimbursement without having followed the rules of the Injury Fund as stated in the Injury Fund Guide.

69. The Registration and Injury Fund shall commence on 1st April each year and terminate on the 31st March of the following year.

70. A player or club registering or affiliating to the Association after 1st January in any year, shall be included in the fund up to and including the 31st March of the following year, except in the formation of a new club as provided in Rule 54.

Physiotherapy, which shall be limited to a maximum of 6 sessions. If subsequent sessions are required, a full report outlining the reasons must be submitted by the registered physiotherapist or registered physical therapist. Further payment will only be considered on receipt of this report.

(b) Dental treatment to a maximum of €3,000

(c) Loss of wages or salary to a maximum of €200 per week for 20 weeks

Central Council shall from time to time decide and fix a sum, which shall be referred to as the "Maximum Payment" in respect of treatment, salary or wages, for which injured parties shall be considered.

Only one LGFA Injury Fund claim can be opened per injury sustained. The maximum medical benefit permitted under the Fund per injury is €5,500.

73. In determining the amount to be paid to an injured party, the Association shall take all and every matter it considers relevant into account in coming to its determination.

This may include benefits from Social Welfare, Hospital Services, Medical Cards, Private Medical Insurance and any other benefit of any nature whatsoever accruing to the injured party. Nothing in this section shall be construed so as to imply any legal right to the applicant, either in terms of amount of entitlement or to be considered for payment.

74. Any player that returns to the sport will be considered to have completed the treatment necessary to be fit to return to the sport, and this will close their claim.

Where a player is directed to return to sport as part of their rehabilitation and wishes their claim to remain open, she must submit a medical letter advising of this direction from their medical practitioner, following the same protocol as the prior approval requirements.

75. All applications for payment of money from the Injury Fund, shall be signed by the County Secretary or other authorised officer, on an Official Full Injury Claim Form and shall be accompanied by original receipts, medical certificates where applicable, and any other documentation as required by Central Council.

Where claims are received late by Central Council, and where the delay is due to the Club or County Secretary or other authorised officers, the Club or County Board may be held responsible for the payment of the claim.

77. Should an applicant fail to lodge a claim application in accordance with the rules or give incorrect particulars on the preliminary claim form or injury claim form, s/he shall not be considered for payment.

78. Preliminary claim forms may be submitted in electronic or hard copy format. They must be submitted within 8 weeks of the date of injury if treatment is likely to exceed €200.

Where a preliminary claim form has been submitted, a report and update on the claim must be submitted by the injured party within one year from the date of the preliminary notice, to validate the claim.

79. All claims, of which preliminary notices have been received must be lodged and validated within 2 years of the original preliminary notice, except in exceptional circumstances.

80. An application without the necessary documentation will be declared void.

81. An application made by a member which, in the opinion of Central Council is not a bona fide application, or which is made for the purpose of obtaining payment to which s/he is not entitled, shall be declared void.

Central Council shall be at liberty to suspend both the applicant and the persons who countersigned the application form, for an indefinite period and make an order for repayment of any monies that may have been paid on foot of the application.

82. A member shall not seek payment from the Injury Fund for private treatment unless:
- (a) Prior sanction is received from the National Injury Fund Co-Ordinator by following the prior approval process as laid out in the Injury Fund Guide
  - (b) In an emergency situation – where treatment has occurred within 5 days of the injury date and a medical letter is provided confirming the requirement for the emergency treatment

Any request for private treatment must be supported by documentary evidence from a medical practitioner or physiotherapist, to show the reason why private treatment is necessary. This must be on business headed paper and, where the letter is from a physiotherapist, must state their registration to the ISCP (Irish Society of Chartered Physiotherapists) or HCPC (UK Health & Care Professionals Council).

Prior approval is required for all treatments outside of:

- a. 90% of 6 Physiotherapy Sessions

84. The Central Council of the Association shall be the sole and final arbiter of all matters connected with the fund and the scheme. However, in the case of a dispute on any matter, without prejudice to the rights of the Association to decline, an arbitration procedure will be available.
85. The above rules govern the Injury Fund and it is a condition precedent of entitlement to consideration under the Injury Fund that members, prior to their joining, are fully acquainted with its terms and conditions and agree to be bound thereby.

It is also a condition precedent of the Injury Fund, that members who have not read or do not understand or have not had the Injury Fund explained to them, are deemed to be fully aware of its contents in its entirety.

### **Injury Fund Arbitration Procedure**

86. An Arbitration Board shall be appointed in a case where arbitration is warranted. It shall consist of one person nominated by Central Council and a member of the Association nominated by the claimant, together with an independent professional person nominated by Central Council.
87. Decisions of the Arbitration Board shall be conclusive, final and binding on all parties, and under no circumstances shall either party appeal to any Court of Law in respect of any matter arising out of the Injury Fund. 376. A referee must extend time in each half for delays, whether deliberate or incidental in the half, or extend time for a free to be taken. Where the referee indicates that it is the last kick of the half from a free kick, a score can only result when it is scored directly from the free kick, or if the ball is deflected under or over the crossbar by a member of the defending team. Where a member of the team awarded the free plays the ball again in any manner, any score resulting from her actions shall be disallowed.
- Should the defending team commit a further foul before the referee whistles for half or fulltime, s/he shall further extend time for a free to be taken.
- If the ball is played over the end-line by a member of the defending team a 45m kick shall be awarded. A score can only result from the 45m kick, when no other player of the team awarded the 45m kick plays the ball i.e., it must be scored directly, unless it goes off a defending player.

If the goalkeeper moves forward before the ball is kicked and a score does not result (ball goes wide, deflected over the crossbar or for a 45m kick, or it is saved etc.), the penalty shall be retaken.
425. It is only the player wearing a distinctive jersey who enjoys the rights and privileges of a goalkeeper who is allowed to pick the ball off the ground, without being in a standing position inside the small rectangle.

427. If an attacking player legally enters the small rectangle after the ball and the ball is cleared from that area but is returned before the attacking player has had time to leave the small rectangle, she shall be deemed not to have committed an offence, provided she does not play the ball or does not interfere with the defence.

All other players shall be 10 metres from the throw in.
432. The player taking the kick out may play the ball more than once before any other player plays it, provided, she does not take it into her hands. If she plays the ball over the side-line directly from a kickout, it shall be a side-line kick to the opposing team from where it crossed the line.
